PROJECT EXPERIENCE

AltCamp (Open-Source) — An e-Learning & co-Learning platform

- Initialized and wrote the frontend boilerplate code.
- Built the User Dashboard interface using React.
- Integrated with the API using Redux-Toolkit and RTK-Query.
- Collaborated with cross-functional teams to gather requirements and deliver high-quality code

theBlogX — A Blog Site with Support for AI Post Generation

- Implemented MongoDB for efficient data storage and retrieval.
- Implemented RESTful APIs for server-side functionalities and authentication/authorization.
- Created reusable and scalable UI components with React for dynamic user interfaces.
- Designed and implemented the UI using TailwindCSS and React.
- Integrated with OpenAI's DALL-E and GPT-3 APIs to help generate user blog posts.
- Reached over 3,000 site visits in the first week of launch.

WORK EXPERIENCE

Lead Frontend Developer, AltCamp (Open Source), Lagos, November 2022 – Present

- Led an open-source e-learning and co-learning project with 30 contributors spanning Frontend, Backend, Product Management, and Product Designers.
- Collaborated with Backend Developers for smooth integration with APIs and data services.
- Implemented best practices for code organization, version control, and documentation to maintain a high-quality and scalable codebase.
- Contributed to project planning, roadmap definition, and technical decision-making to drive the project's success and achieve project milestones.
- Implemented responsive design and accessibility features.

Frontend Developer (Intern), Zuri Team, Inc, Lagos, Jan 2021 – June 2021

- Contributed to HomeTeach, a platform that connects tutors with parents/guardians.
- Utilized HTML, JavaScript, and Tailwind CSS to develop responsive and interactive user interfaces for the web application.
- Followed best UI/UX design practices to ensure a seamless and intuitive user experience for tutors and parents.
- Gained hands-on experience and built a strong foundation for future front-end development opportunities.

EDUCATION

Federal University, Oye-Ekiti, B.sc. Business Administration — 2021
